

*SET – Self Entrepreneurship Training for Trainers*

*Dear readers,*

*We would like to introduce you the **SET Project – Self-Entrepreneurship Training for Trainers** ([www.set4t.eu](http://www.set4t.eu)), a 24 months project focused on **entrepreneurial education for trainers**. The **SET Project** has been developed by 10 European Partners of UK (coordinator), Czeck Republic, Estonia, Greece, France, Hungary, Italy, Portugal, Slovenia and Spain and it is funded by the European Commission under the Grundtvig Lifelong Learning Programme.*

*The SET Project aims to contribute to business education through the identification of requirements for trainers, the identification of best practices, offering the entrepreneurs skills needed to propose an innovative methodology for a Grundtvig Training course and a growing entrepreneur awareness as a career opportunity.*

*Please visit our website [www.set4t.eu](http://www.set4t.eu) to read more about the Project. In the SET Project webpage you can also download interesting documents developed by the association such as::*

- *PMI Survey Results (for assessment of training needs)*
- *Trainers Survey Results (for the assessment of training needs)*
- *SET best practices*
